## CYPRUS FEDERATION OF AMERICA

Established in 1951, the Cyprus Federation of America (CFA), is a non-profit umbrella organization representing 25 Greek Cypriot-American cultural associations located throughout the United States. The goals of the CFA are: (1) the development of good relations and solidarity amongst its member organizations, the promotion of their common goals, the representation of their common interests and the coordination of their common cultural, social, educational, and philanthropic activities; (2) the preservation and promotion of the Greek Cypriot customs, traditions, principles and ideals amongst Greek Cypriot Americans and their descendants; (3) the establishment of close ties between the people of the United States and the people of Cyprus through social, cultural, educational, philanthropic, and other exchanges; (4) the preservation and expansion of the Greek language and education in the United States; (5) the cultivation of respect and support toward the Greek Orthodox Church of America; and (6) the coordination in the United States of the efforts to achieve a just and viable solution to the Cyprus problem through the withdrawal of the Turkish occupying military forces and the restoration of the human rights of all Cypriots.
